As the retiring *resident of the 41 Camino Als it has been a pleasure to serve you. We have accomplished a lot in the last 10 years and = #no! that we will continue to grow as a club. I have had great tours, great (club) picnics and Christmas Luncheons and memorable 7th Anniversary Dinners. I thank you to all of the (club) officers who have given their time and efforts and to all the volunteers such as Sunshine Lady's 4 Sisters *publisher's Membership Contact and Librarian who have helped or the benefit of the (club).

Just remember 7 life is what happens when you are planning other things. Be willing to learn new things and experiences (feelings). We all share this life in the family of man. Don't hesitate. Grab a friend or someone in need. Grab your keys - your Motel A awaits. Life is a journey not a destination. Run in a mile instead of looking straight ahead. Glance out the side window and see what is happening at the moment. Drive safely and remember to enjoy the ride!

GARAGE 1 : AR R4* : R1 by George J. Ferguson

The garage tour was postponed from 10:00 AM until 11:00 AM because of rain. We had a good turnout but because of a (hand) rain there were only 10 Motel A's.

We started out at 10 AM Asaro's garage and he had a full house of people. When we went to my garage and we ended up with 15 people (hearing out my shop) only 10 people stayed for a picnic luncheon. MaBine ineman brought a terrific Chinese salad that went like hot (a)es. It was sure good.

From my shop we headed on over to +in(e Asaro's garage shop for some very tasty desserts. We also had a good turnout of people. All the guests seemed to have had a good time in spite of the (hand) rain. = #no! = sure had fun and enjoyed myself.

=>m looking forward to next years Garage Tour.
