*Sunshine News*  
*By Marilyn Vitalie*

**THINKING OF YOU AND GET WELL WISHES TO**—John Moody's Mom, Pauline, for a second back surgery.

**GRANDCHILD AND GREAT NIECE NEWS**—Vince and Marilyn Perry's granddaughter, Sarah's lamb, Margarita, won Reserve Grand Champion Award at the San Mateo County Fair.  
Irwin and Diane Abram's great niece, Corinne, is a second-year Nature Trail volunteer at the SF Zoo Children's Zoo. She is now able to handle snakes.

**WAYS TO TELL YOU ARE GETTING OLDER**

1. You think "Libido" is an Italian pasta.
2. The Tooth Fairy has more teeth than you do.
3. You wake up with that awful "Morning After" feeling.....  
And you didn't do anything the night before.

## Tour report

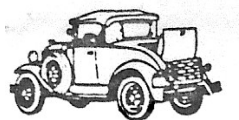

On Saturday, June 10th, the APs enjoyed a tour to Mitchell Park (in Palo Alto) the starting point was at Elsieley Crescent (in Redwood City) and there were 11 or 12 cars and 14 persons that attended the picnic.

Palo Alto is a beautiful city with many parks so that the cars could park altogether. Quite a sight! Everyone brought their lunch and the Calty APs provided the fresh fruit and desserts which consisted of an array of pies and a chocolate anniversary cake.

The park has a new addition and it is called the Magi Bridge and some went to see it. It is a playground for children with handicapped parents in wheelchairs. This is a very unique building design for these parents.

It was a beautiful day with the weather being perfect for a picnic and everyone had a good time!
